

## GRAND CRU —

*Clos de Vougeot*

When you taste this 2022 Clos de Vougeot, you will take a journey through an exceptional land. Its ancestral vines and their ripe bunches transport us through the years and reveal their secrets to us...

This wine, at first glance, already invites us to discover its raspberry purple coloring, its great brilliance and its plentiful thick tears, thick and slightly colored, proof of an optimal maturity and great quality.

Its flattering and charming bouquet amazes us with its intense aromatic complexity. After delicate floral notes of powdered old rose, aromas of wild blackberry and raspberry arrive. A few minutes later, a more distinguished feel completes the experience with autumn notes like cloves, Sichuan pepper, and Tonka bean, that enchantingly blend with light mineral notes of graphite and slate. All of these aromas are highlighted by a touch of undergrowth and humus.

How can one describe the palate without mentioning its enchanting volume, density and richness. Not only is its structure sturdy with the numerous noble and smooth tannins, but also the after taste is in total harmony with the anticipated flavors. Its welcoming and velvety finish whispers « come back again soon » (with moderation of course).
