

## VIN DE FRANCE —

*Pinot Noir*

This beautiful 2022 Pinot noir, in the pure Burgundian tradition, exudes a typical aromatic palette for this grape variety: if you do not know it yet, what are you waiting for ?

It's raspberry-ruby coloring with pinky-blue highlights immediately attracts your eye. Its youth is also expressed by its brilliance, foretelling its incredible freshness.

Very light amyl notes of toffee gently brush your nose before taking off with dominate aromas of strawberries and juicy black cherries, without forgetting the heady floral notes of peonies and rose. After a bit of aeration, this 2022 Pinot noir gives off spicy breezes of liquorice sticks, white pepper, and nutmeg, with a side of undergrowth and humus.

It's refreshing palate, both tender and full-bodied, reveals a refined structure, quite airy and silky. It's finish is the epitome of this wine: gourmet, crunchy, and tart boasting floral flavors as well as juicy blackcurrant. Ready to enjoy, it can also be matured in your cellars another 3 to 5 years.
