*Vosne-Romanée*

This 2022 Vosne-Romanée is irresistible, with its aromatic complexity and its great concentration. In summary, “An iron fist in a velvet glove”!

At first glimpse, this vat’s coloring is raspberry red, slightly purple with a nice intensity and thick tears that linger on the glass, foretelling a wine of beautiful workmanship.

You will not be disappointed when you bring this wine to your nose! It exudes initial aromas of red fruits and very ripe black berries blending with strawberries, Bigarreau cherries, and freshly picked blackberries...Next, it’s a festival of floral notes, spices, and undergrowth with a certain minerality, highlighted by warm chocolate notes.

It’s generosity is also present on the palate. This 2022 Vosne-Romanée fulfills its promise with a great volume, topped with numerous fine-grained tannins bringing not only a velvety and silky sensation, but also a certain force and concentration. It’s refreshing and yet heady finish is accompanied by notes of cacao and spices. Its quality and melted structure mean that we can enjoy this wine immediately, but it’s important not to underestimate its ageing potential of 7 to 9 years.
